

Mounting point photographs

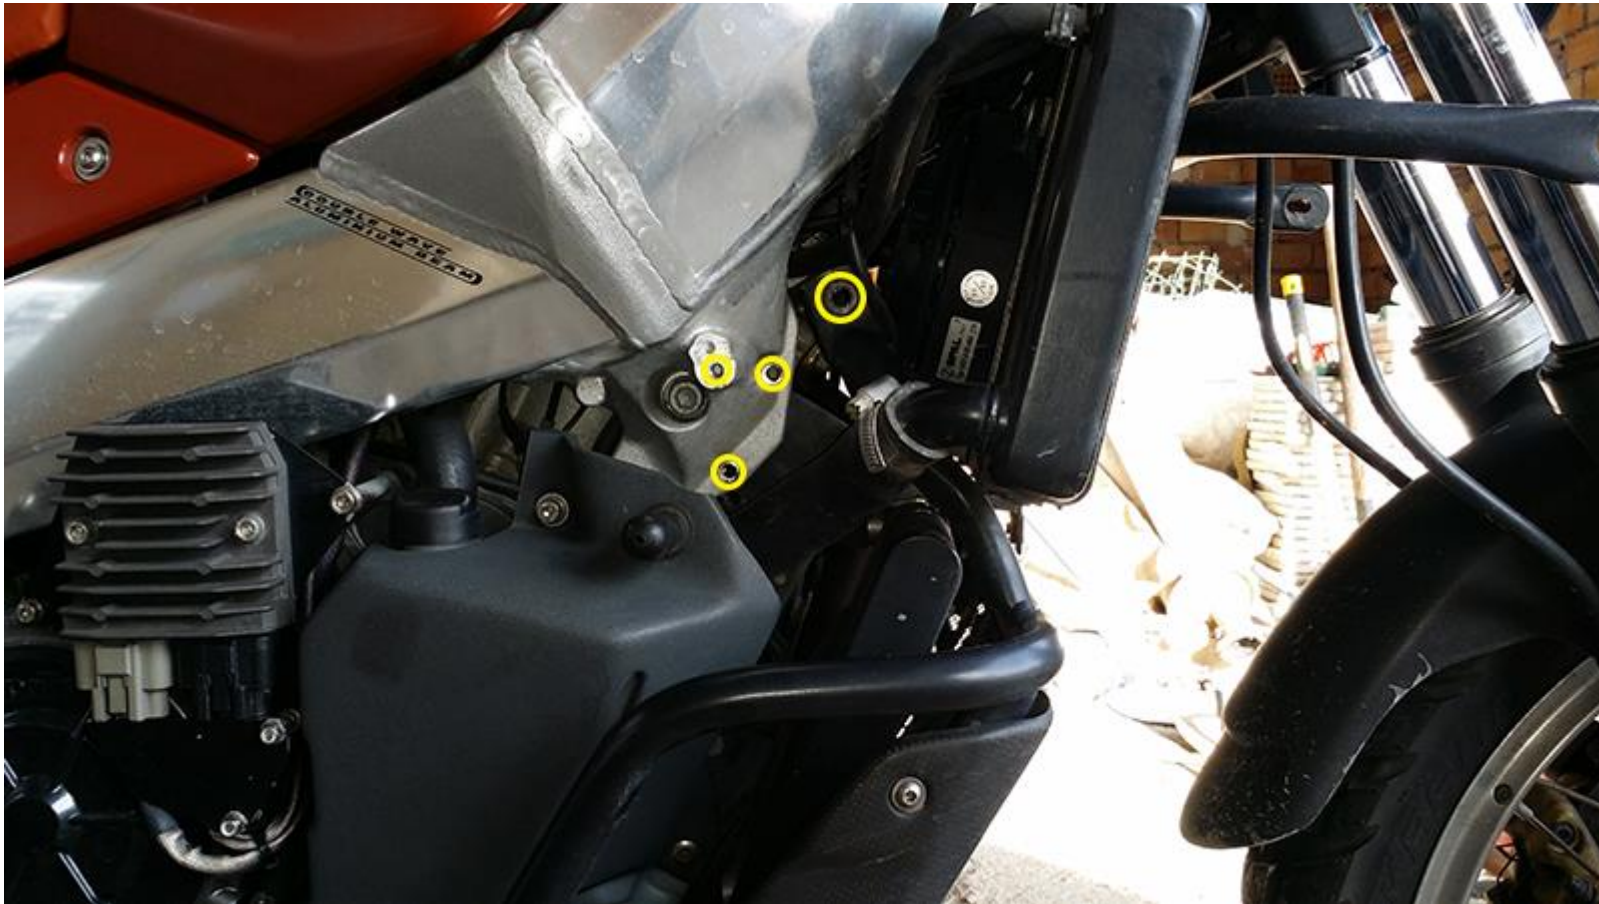

Left hand mounting points

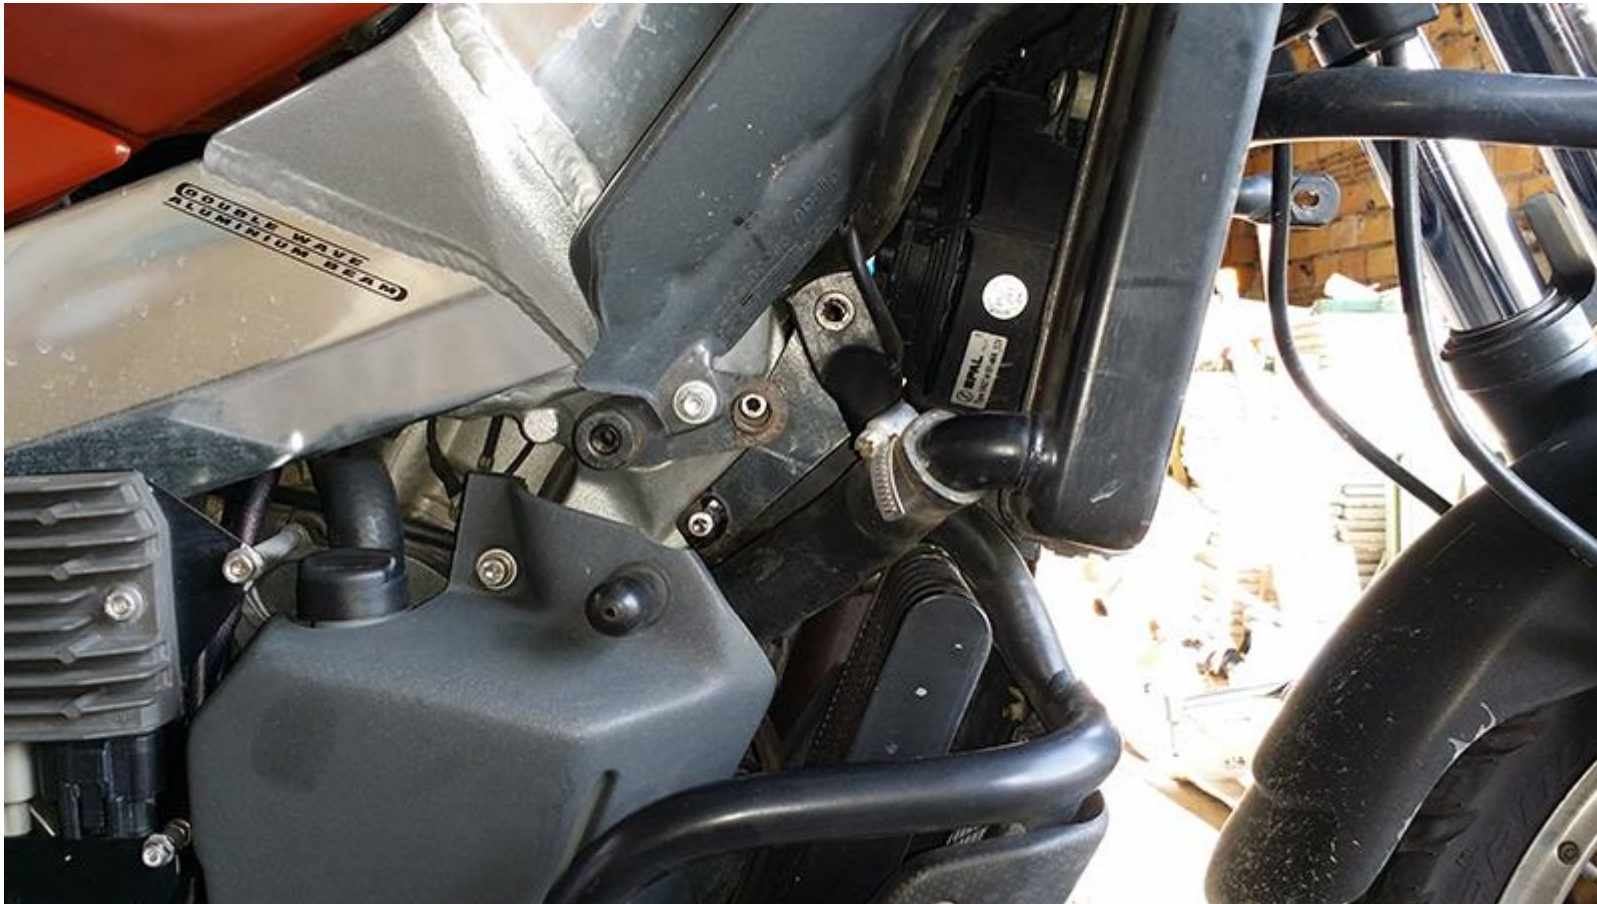

Brackets in place

If sump guard are not to be fitted, then omit BRAC1-1 and BRAC3-1 and replace with 2x 20mm spacers – 10mm outside diameter, 6.5mm internal diameter each side.

Right hand mounting points

Brackets in place

If sump guard are not to be fitted, then omit BRAC1-1 and BRAC3-1 and replace with 2x 20mm spacers – 10mm outside diameter, 6.5mm internal diameter each side.
